Project Overview:

Penn Station Access will provide Metro-North customers with service into and out of Penn Station by diverting certain New Haven Line trains via Amtrak’s Hell Gate Line, which will be brought to a state of good repair and improve reliability and on-time performance for intercity passengers.

General Construction

Final Cleaning	Doors Frames Hardware	Temp Fencing
Site Safety inspection	Toilet Accessories	Permanent Fencing
Clear & Grub	Lockers & Benches	Construct Maintenance Buildings
Waterproofing-Bridges	Casework	Pedestrian Shelters
Supply Ductile Iron Piping & Accessories	MPT Supplies	Plumbing
Supply PVC/HDFE Piping & Accessories	Frac Tank Rental	Precast Retaining Walls
Supply RCP Piping & Structures	Asbestos Abatement	Fire Protection
Storm & Sanitary Utilities	Bridge Demolition	Curtainwall (Fabricators, Installer)
Domestic Water Utilities	Bridge Painting	Metal Roofing (Fabricators/Manufactures)
Frames & Grates	Saw Cutting	Glass Material Supply
Supply Miscellaneous Concrete Materials& Accessories	Waterproofing Stations	Aluminum Composite Material (Suppliers, Fabricators, Installers)
Tack Coat	Masonry	Insulation Suppliers/Installers
Asphalt Mill & Pave	Miscellaneous Metals-Stations	Miscellaneous Metal Fabrications installation
Bird Deterrent System	Painting of Stations	Specialty Glass Installation
Concrete Retaining walls	Signage	Standing Seam Metal Roofing
VCT Flooring	ESI Dashboard Fabrication & Supply	Metal Column Covers
Tile Walls & Flooring	Curb & Sidewalk	
	Pavers	
	Landscaping
